SOFT, SAFE, SYNCED BREAST HEALTH

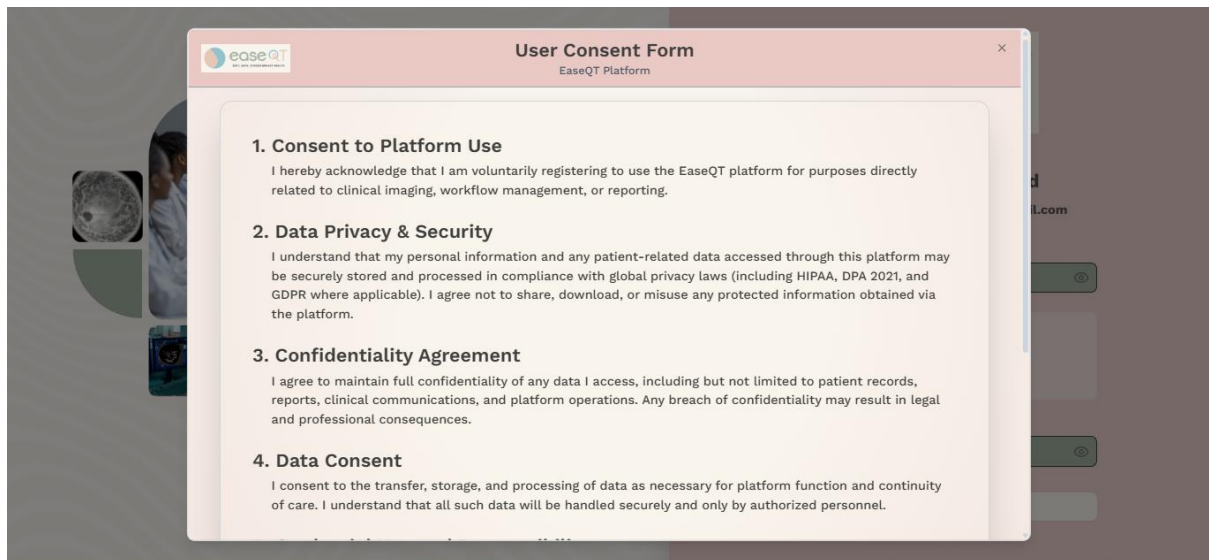

# WELLGREEN MANAGER LOGIN USER MANUAL

The wellthgreen manager will sign in using email and password provided by wellgreen.

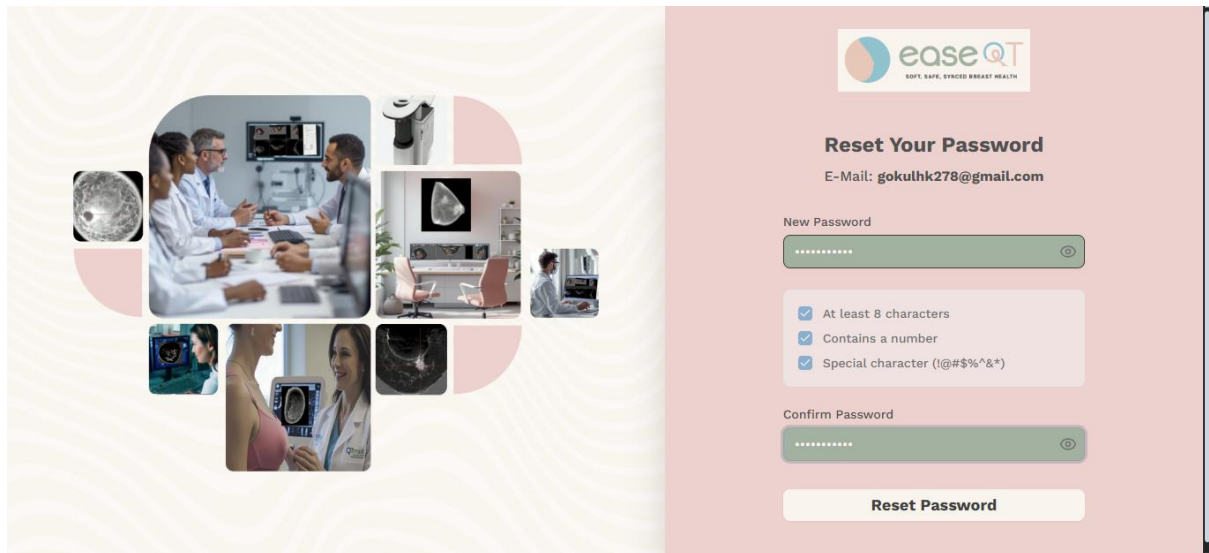

The verification code will be generated for verification.

The screenshot shows a web browser window with the title "User Consent Form" and the subtitle "EaseQT Platform". The form is divided into four sections:

- 1. Consent to Platform Use**  
I hereby acknowledge that I am voluntarily registering to use the EaseQT platform for purposes directly related to clinical imaging, workflow management, or reporting.
- 2. Data Privacy & Security**  
I understand that my personal information and any patient-related data accessed through this platform may be securely stored and processed in compliance with global privacy laws (including HIPAA, DPA 2021, and GDPR where applicable). I agree not to share, download, or misuse any protected information obtained via the platform.
- 3. Confidentiality Agreement**  
I agree to maintain full confidentiality of any data I access, including but not limited to patient records, reports, clinical communications, and platform operations. Any breach of confidentiality may result in legal and professional consequences.
- 4. Data Consent**  
I consent to the transfer, storage, and processing of data as necessary for platform function and continuity of care. I understand that all such data will be handled securely and only by authorized personnel.

The wellthgreen manager needs to sign the form.

The screenshot shows a web browser window with the title "Reset Your Password" and the subtitle "EaseQT Platform". The page features the EaseQT logo and the tagline "SOFT. SAFE. SYNCHRONIZED BREAST HEALTH". The email address "gokulhk278@gmail.com" is displayed. The form includes two password input fields, a list of password requirements, and a "Reset Password" button.

**Reset Your Password**  
E-Mail: gokulhk278@gmail.com

In patient queue, the wellthgreen manager can view the patient list, patient forms, technician view and DICOM files. the wellthgreen manager can view the report, check the report status, assign the case to another user and add pending remarks if needed and add pending remark and can view previous remark also. They can multi select and can download the DICOM and Final reports. The manager can view the report.

## ANALYTICS

In analytics, The wellthgreen manager can view all users and scan centres analytics.

## GENERAL TIPS

1. If you open something in edit mode, save it before exiting-otherwise, others won't be able to use it.
2. After addressing pending remarks, leave another remark saying "Done" and set Assign to as None.
3. The Filter option is available for sorting.
4. For bulk downloads, use the checkboxes to select patients and then download in bulk.
5. To add a pending remark, click the + icon.
6. When viewing a report, always click Back to exit-otherwise, the case you opened may freeze.

7. Use Image Preview to add images to a report.
8. To refresh the page, press Ctrl + Shift + R.
9. For DICOM downloads and voice dictation, use Chrome or Edge. (For Firefox, click Save. Do not use Internet Explorer.)
10. Always log out properly-do not just close the browser or tab.
